FLORA FRANCIS MEMORIAL LIBRARY

CONNECT. LEARN. GROW

Visit guelphblackheritage.ca/library to register.

#CHANGESTARTSNOW
Flora Francis embodied what it meant to be a librarian; a supportive community mentor, a dedicated and resourceful educator.

Her commitment to volunteerism, activism, and pedagogy has propelled countless grassroots achievements and has had an immeasurable effect on the communities she has touched, locally and abroad.

This library is an homage to Flora's vision for a Guelph community that is richly equipped with educational resources and empowered to engage with our Black history and perspectives.
